- AnnMarie -  
 well I finally made it  
 getting out of this place. Don't  
 worry you'll be getting out real  
 quick. Remember the good time we  
 had a James house. I wish good luck  
 in the future and in school. Don't forget  
 me cause I won't forget you.

Anyway you'll never know the many ways I've tried, but still they had me back to the long and winding road.

You left me standing here a long, long time ago

Don't leave me waiting here, lead me to your door.
